PITCAIRN FOUNDERS DAY

June 11, 2011

Pitcairn held its first ever Founders Day Festival. Pitcairn Founders Day honored the founders who signed the charter on June 9, 1894, incorporating Pitcairn as a Borough. The Festival was held at the Pitcairn Park Building on Broadway Blvd.

Food, crafts, informational booths & games were a part of the festival. In the morning, Pitcairn Woman's Club held a Pancake Breakfast. In

and informational vendors displayed their items.

Outside the Park Building, was a corn hole toss tournament sponsored by the Brandon Kuster

Foundation Group. Visitors enjoyed burgers from Pitcairn Community Renaissance's "Burger Blast" Committee. We hope you were part of the steady stream of people who were able to come out and help us celebrate this event.

Thank you for all who made this possible and a success. We look forward to future events.
